

## Identifying your Faro software license details

<p><b>1</b></p>	<p>Information on your Scene Dongle or software license can be access through the Faro RUS program installed on your system when you installed Scene. Through it you will be able to identify the license code for your software and generate an update request file.</p>																					
<p><b>2</b></p>	<p>The Faro RUS program can be located within the Faro Folder in your windows start menu.</p> <p>Ensure your dongle is plugged into your PC before opening the program</p>																					
<p><b>3</b></p>	<p>Upon launching the Faro RUS program select the option Update of existing protection key then click Collect Information</p>																					
<p><b>4</b></p>	<p>A list of available licenses will be displayed. Any license listed with the prefix SL is a software locked license while HL refers to a hardware dongle.</p> <p>Note the Key ID for your license.</p> <p>Click OK</p>	 <table border="1" data-bbox="850 1518 1385 1742"> <thead> <tr> <th>Key Type</th> <th>Key ID</th> <th>Creation Date</th> <th>Products</th> </tr> </thead> <tbody> <tr> <td>SL-AdminMode</td> <td>94571939476823505</td> <td>24.09.2018</td> <td>SCENE_2</td> </tr> <tr> <td>SL-AdminMode</td> <td>262627303251635141</td> <td>25.05.2018</td> <td>SCENE_A</td> </tr> <tr> <td>SL-AdminMode</td> <td>806609734013385260</td> <td>20.04.2017</td> <td>SCENE_A</td> </tr> <tr> <td>SL-AdminMode</td> <td>967731114970990785</td> <td>02.01.2018</td> <td>SCENE_7</td> </tr> </tbody> </table>	Key Type	Key ID	Creation Date	Products	SL-AdminMode	94571939476823505	24.09.2018	SCENE_2	SL-AdminMode	262627303251635141	25.05.2018	SCENE_A	SL-AdminMode	806609734013385260	20.04.2017	SCENE_A	SL-AdminMode	967731114970990785	02.01.2018	SCENE_7
