

corpro[®]

a better fit

Spray Barrier

Aerosol Shielding

Protects the wearer's eyes and face from most droplets and aerosols.

Reduces Contact

Prevents contact between the wearer's hands and face.

Foam Defence

Further reduces risk of wearer's face coming into contact with aerosols and droplets.

Easy to Store

Easily fits into the Corpro large storage container.

Reusable*

Can be easily cleaned using a variety of methods.

Strong and Clear

Made from a high-clarity and strong PETG material.

HM1400 Compatibility

Simple attachment to the Corpro HM1400 half mask and F1100 range P3 R filter pair - no headband required.

Exhale Protection

Layer of protection over the exhale valve, reducing COVID-19 risk.

Product Code - 1400-000-X00011 Unit qty - 1; Units per pack - 5
